Family Albums

Albums of Satin, Lace, and Pearls that capture that special moment.

Wedding Albums

Our wedding albums help you celebrate the "big day" with a gift for the bride and groom or a gift for yourself. The small albums, perfect for sharing up to 100 of your most precious pictures, is covered on the inside and

out with white satin. A white lace delicately outlines the edges of album with pearl and ribbon accents. If you would like a larger album, then you have a choice between albums in satin or satin overlaid in lace (shown above). Both are outlined in lace with a frame on the front for a picture of the happy couple.

Baby Albums *

Our baby albums will help you remember that special little one for many years to come. Each album depicts the innocence of children in snuggly warm pajamas. The small album, which hold approximately 100 pictures, is fully covered in the warm cotton fabric and outlined in cotton eyelet lace. The larger album (shown above) has a frame on the front for the perfect picture. ***Other albums available at our website.**
